

**SART Listserv  
Victims' Rights Pamphlets  
October 2007**

**Background:** Communities take different approaches in informing victims about their rights. A number of jurisdictions publicize information in the form of brochures or guides. The following sites provide a sampling of victim rights nationally.

**Alabama: "In Alabama, Crime Victims have Rights!"**

***Supplemental Resources***

**Victim Law**

<http://www.victimlaw.info/victimlaw/>.

Victim Law is a project of the National Center for Victims of Crime.

The site has a searchable database that provides an overview of victims' rights by topic. Additionally, Victim Law's resource section provides information and links to state/territory agencies that can assist service providers with victims' rights.
