The 2010 campaign information arrived early enough to help my organization plan our 2010 SAAM campaign.		
I will be able to use the information on the CD.		
I think framing SAAM around the <i>Spectrum of Prevention</i> is helpful.		
I like the format of the campaign this year. (CD in mailer compared to printed packet from previous years)		
My organization will use the “Prevent sexual violence...on our campuses” theme in 2010.		

Please use the space below to make any additional comments. We welcome your suggestions for future campaigns.
