

ACTIONS FOR EMPLOYERS:

Respect WORKS

How you can help

Want to help, but not sure how? There are many options. Here are some suggestions:

- Display Sexual Assault Awareness Month (SAAM) poster in community area
- Distribute free SAAM palm cards to each employee; stuff them in paychecks
- Hold a workshop about respect in your workplace
- Pass out flyers on a community workshop about respect to your staff
- Sponsor a community event to raise money for your local rape crisis center

Contact your local rape crisis center for information and materials to get involved. Together, we can prevent sexual violence in our workplaces. . .and communities.
