Trafficking Victims Protection Act

Force, Fraud or Coercion
or the victim is a minor

Hoffman, K. Human Trafficking &
Technology. National Sexual Assault
Trafficking vs. Smuggling?

• With smuggling the relationship ends and parties part ways.
• In trafficking a trafficker maintains control of victim via force, fraud, or coercion.

$32 Billion

- The amount of money made from human trafficking each year is more than the combined revenue of Walmart, Chevron, General Motors, General Electric, and Bank of America in 2009.
- Walmart pulled in only about a tenth of what is generated from slavery. Human trafficking is massive, and not just in human terms; but in cold, hard cash.

Approximately 14,500-17,500 humans are trafficked into the US each year.

Approximately 100,000 – 300,000 US citizens, mostly minor girls, are trafficked within the US each year for commercial sexual exploitation.

“I was just a kid, you know. I didn’t know nothing really. Here was this nice guy like 25, and he was like an older brother or something. Then he started getting off on me, ok, so I was used to that. Then he started bringing his friends over, using them to try me out. So next thing I know, I’m working at his parties. I was too dumb to know he was making money off me.”
4 or more times as a A runaway in a 12 month period

= 80% probability that the child/adolescent has been trafficked sexually

Control

“You probably didn’t anticipate all the media attention that you are getting, and we understand that it can be overwhelming and a bit frightening. But please know that I promise that I will do my best to keep the media away from you, and no one will embarrass you. For whatever reason that may have caused you to run away you know deep in your heart that you can always come to me, as you have in the past and we can work it out. No matter what it is.”

“So I start lifting her shirt then she moved her shirt over her tits, wtf? Then I start pulling the shirt higher, then she took the shirt off. Then wtf? She still had her pants on, so I start pulling them down, then she pulled them down to her ankles. Wtf?. It should be all off, fuk it left it like that too much works I started to play with her kitty and putting my finger knuckle deep then she moved away and I pulled her back and she Sade my nails are sharp, which is bs. I trim them nice b4 I went cuz I know their excuses. Then I start sucking her tits and she moved away. She then put oil all over her tits and rub my Johnny on them. I,m not a fan of oil on the tits,, but I think she just don't like guys sucking on them. After a half hour pass she ask if all the other girls go through this.”
Silver Spa - **Reading/Wyomissing Massage Parlor**

Traveling north, along left side of Rt 222 next to Adult Video Store just south of Reading City. Asian Place. Been there numerous times. 60 to 70 for one hour to enter depending on which of two mamasans are on duty. **Girls appear to change frequently - never had same one twice** (but would have do so several times).

Aries Spa: 3333 Hamilton Blvd
Allentown, Pennsylvania 18104
Phone Number: 610-841-7900
Hours of Operation: 9am-11pm
In a busy strip mall near Dorney Park. The outside door opens into a small "holding room" with a doorbell and camera. Rung the bell and was greeted by the mamasan.

Jeannette Massage Parlor

Good place, 60 for full hour sometimes there is a coupon in the Trib Review for $10.00 Off. Go in mama san takes your fee and asks if you have been there before. Always say yes. I always say "young pretty girl" and get a good looking Korean or Malaysian...~~Recommend this place, girls change all the time and only had one not so hot time. All others where great~~. (Review # 3475)
Blue Moon: 223 N. 13th St.
Philadelphia, Pennsylvania 19107
Phone Number: 215-5641899
Hours of Operation: 10am-4am

Cool place plus they give out little cards, fifth visit is free. Nice table shower but shitty massage... I think she would have rather went right to business. I got some head, then I went down on her, then into missionaire, from there we did doggy until I came. She was funny and cute... the only bad thing is the place is right across the street from a police station, but if you don't mind the fuzz, get some trim :D. happy haunting.
