Wyoming Coalition Against Domestic Violence & Sexual Assault

Overview of Sexual Assault Services in Wyoming

Reality of Wyoming
• “Fresh air, freedom, and fun!”
• Compromises.
  – Greater impact on sexual assault survivors.
• Wyoming has a budget surplus.

How do you picture Wyoming?  
(Don’t hold back….)

Overview of Sexual Assault Services in Wyoming

You might be right!
• Wyoming is the 9th largest state in area.
• 563,626 Wyoming residents live in 97,818 square miles. 5.8 people per square mile.
• Wyoming is larger in area than Maine, Connecticut, Vermont, New Hampshire, Massachusetts, Rhode Island, New Jersey, Maryland and Delaware all combined. 29.9 million people live in those states
• Cheyenne (largest city), state capitol – 57,000 people.
• 92% of Wyoming’s population is Caucasian, Native Americans, Hispanics, African Americans, and Asians comprise the remainder.
• Since 2000, the population has increased over 14%.
Structure of Advocacy In Wyoming

**Domestic Violence Sexual Assault Programs**

- 24 dual non-profit programs (DV/SA); 1 in each county (23) and 1 on the Wind River Indian Reservation.
- 32 offices around the state.
- 19 stand alone shelters.
- Staff numbers range from 1.5 to 17 full time equivalent.
- All programs have individual 24 hour crisis lines.
- 7 of the 43 victim witness programs located in the DV/SA programs.
- Combined budgets for the 23 DV/SA county programs – $7.5 million per year.

**Structure of Advocacy In Wyoming**

- Work from all of a survivor’s experiences, always from a “dual mind-set.”

Besides the dual advocacy programs Wyoming has

- Warren Air Force Base Sexual Assault Prevention and Response Program
- 43 Victim Witness programs
- 3 Court Appoint Special Advocate (CASA) Programs
- 3 Child Advocacy Programs

**Structure of Advocacy in Wyoming**

- Membership consists of the 24 DV/SA programs, and the Sexual Assault Prevention and Response Office at FE Warren Air Force Base as an honorary member.
- Legal Assistance to Victims, Public Policy, Sexual Assault specific projects, Organizational Development, AmeriCorps.

Challenges of Sexual Assault Services in Rural Wyoming

Challenges for Survivors

- Harsh isolating barriers.
- Oppression of culturally isolated populations.
- Wage gap.
- Cost of living.
- Transportation issues.
- Limited access and information on services.
- Sexual assault not seen as a priority.
- Limited privacy.
- Limited employment opportunities and housing.
- But, no limits of firearms in Wyoming!
“A key defining characteristic of rural life is physical isolation.”
Stan Orchowsky

Challenges of Sexual Assault Services in Wyoming

Challenges for Programs
- Distances to provide services – outreach communities.
- Volunteer base.
- Anonymity issues for staff and volunteers.
- Staff workload – including being on call.
- Equal services for sexual assault.
- Feelings around expertise in sexual assault.
- Limited services to provide to survivors.
- Funding.
- Federal Reporting.
- Conflicts of interest.
- Cultural and social beliefs.
- Transportation.

Addressing Challenges of Sexual Assault Services in Wyoming

What does it mean to address challenges?
- Working within the challenges.
- Membership sharing.
- Unity.
- One big community with long streets.
  - “We have to work together, and live together.”
  - Relationship building is 24-7 in our communities.
- Use of key stakeholders – including maximizing statewide policy.
- Access to “everybody knows everybody.”
Addressing Challenges of Sexual Assault Services in Wyoming
