

Next Steps for Your Community

1. What tools, strategies and approaches have you heard about today that may help your MFEP/SART/community response?

2. Please list 3-5 priority areas you feel need to be addressed in your community response that are rural-specific and supportive to developing and/or sustaining a MFEP.

3. What are the current strengths of your team specific to your MFEP and SART response?

4. Two next steps I would like to take with my team in relation to MFEPs & SARTs are:
 - 1)

 - 2)
