

PROGRAM EXPANSION

If your program can say "yes" to the following questions, you might be ready to take the next steps toward expansion:

1. Do you have a fully staffed 24/7 on-call program?	<input type="checkbox"/> Yes	<input type="checkbox"/> No
2. Is there a willingness among the team to expand to other patient populations?	<input type="checkbox"/> Yes	<input type="checkbox"/> No
3. Are you able to provide additional training for your staff on one of the above topic areas?	<input type="checkbox"/> Yes	<input type="checkbox"/> No
4. Is the administration supportive of adding one additional population to your call time?	<input type="checkbox"/> Yes	<input type="checkbox"/> No
6. Are you in an acute care hospital setting?	<input type="checkbox"/> Yes	<input type="checkbox"/> No
7. How many patients are seen in your ED/setting each year?		
8. How many sexual assault patients do you see annually?		
9. Of the above total, how many are adolescent/adult?		
10. Of the above total, how many are pediatric?		
11. Do you have in-patient pediatric beds?	<input type="checkbox"/> Yes	<input type="checkbox"/> No
12. Do you have in-patient maternity beds (labor and delivery)?	<input type="checkbox"/> Yes	<input type="checkbox"/> No

PROGRAM EXPANSION

Patient population	What already exists?	What would need to be in place?	Anticipated number of patients (monthly or annually)	Cost per patient (direct and indirect)	Potential obstacles	Necessary collaborators
Child sexual abuse						
Intimate partner violence						
Strangulation						
Child maltreatment						
Elder abuse and neglect						
Suspect examinations						
General interpersonal violence						
Homicides
