

# Self-Study Plan Worksheet: Creative Methods

---

1. Describe two benefits of using participatory evaluation that you think would be the most beneficial to your own work.

2. Which creative or integrated methods do you think would make evaluation more relevant and accessible to the audience with which you work?

3. Which of the methods from this module do you think fits best with your own work? How would you go about implementing that?

For further information or assistance in meeting your evaluation needs or to discuss your answers to the above questions, send an email to [prevention@nsvrc.org](mailto:prevention@nsvrc.org).
