Self-Study Plan Worksheet: Qualitative Evaluation

1. What are the qualitative methods you learned about in this module?

2. Of the qualitative methods you learned about in this module, which ones do you think you might use or support in your own work? Why?

3. Based on what you learned in this module, what additional areas of qualitative analysis do you need or want to learn about?

For further information or assistance in meeting your evaluation needs or to discuss your answers to the above questions, send an email to prevention@nsvrc.org.
