

Do you know **a man** struggling with...

Relationships?

Work?

School?

Depression?

Substance abuse?

Lots of things can inspire a man to want to improve his life, and give him hope. If you or someone you know has had unwanted or abusive sexual experiences in childhood that might be related to current problems, 1in6 can help. We have resources for sorting things out and thinking through your options – safely, in privacy, at your own pace.

The mission of 1in6 is to help men who have had unwanted or abusive sexual experiences in childhood live healthier, happier lives.
